“Valley Vines to Wines. Great Wine is Yours for the Making”

Make Something Special...

Limited quantities still available—Chocolate Raspberry Port, Peach Ice Wine and Blackberry Port

“Reserve these great products to ensure you don’t miss out.”

Blackberry Port

Native to the Americas, Blackberries are bursting with intense fruit flavours. Often used to describe Cabernet Sauvignon, blackberry aromas are deep and richly fruity. This, along with lingering tannins and a gorgeous deep purple hue make it an excellent foil for the broad richness of Port. Bright berry notes lift up this wine, making it a superb foil for intense cheeses, roasted nuts and especially chocolate desserts.

Chocolate Raspberry Port

Hugely popular last year, this wine is bursting with rich, intense flavours and aromas, has traditional Port character of warm, rounded cherry and plum, supported by a racy zing of bright raspberry. Perfumed and gently tart with luscious liquid chocolate, beguiling with dark, bittersweet aromas of coffee and vanilla. Toasty hints of oak guide the way to a long, rich finish. Excellent within three months, this wine will age gorgeously – if you can keep any that long!

Okanagan Peach Icewine Style

The Okanagan Valley lies in the rain shadow of British Columbia’s Coastal mountains. The region’s very low annual average rainfall means that part of the valley is a true desert! In this climate grapes ripen to perfect intensity, with notes of honey, apricot, and spice. Winexpert’s Okanagan Peach Icewine style has deep floral notes, stone fruit and perfect sweetness, balanced with the sun-ripened perfume of a luscious peach.

Limited Editions 2010-2011

This years Limited Editions will soon be announced. Once we have all of the information we will send out brochures so that you can pre-book your wines for next year. Sign up early as we will have to commit to our purchases by mid December.

Twisted Mist

We have had a great response to the Twisted Mist Mojito and Strawberry Margarita Cocktails. Let's not end summer yet, these cocktails are still available and can add a Twist to your entertainment beverages. Refreshing and easy to serve for all your friends and family.
